"BE SOUTH"

Dedicated to South High Through Seven Decades 1892—1962

Here our courageous youth prepared to serve
the needs of city, country, and the world.
All aimed to join their forebears with a verve
unmatched. When obstacles emerged, they hurled
themselves together to protest and won.
School spirit led in classroom, sport, and song —
hard problems yielded to gay shouts of fun.
For Mother South a hardy, loyal throng!

The challenges of Space would point the span
toward new horizons. Mind and heart, the whole
of man, conspire to draw the cosmic plan
for conquest. Rise to face the farthest goal!!
Make ready, mind the old inspiring call:

"Be South! The All for one, the One for all!"

SOUTH HIGH'S

The Beginning

Remember This?

A Greenhouse?

South High 1893—1907

Strange, But True

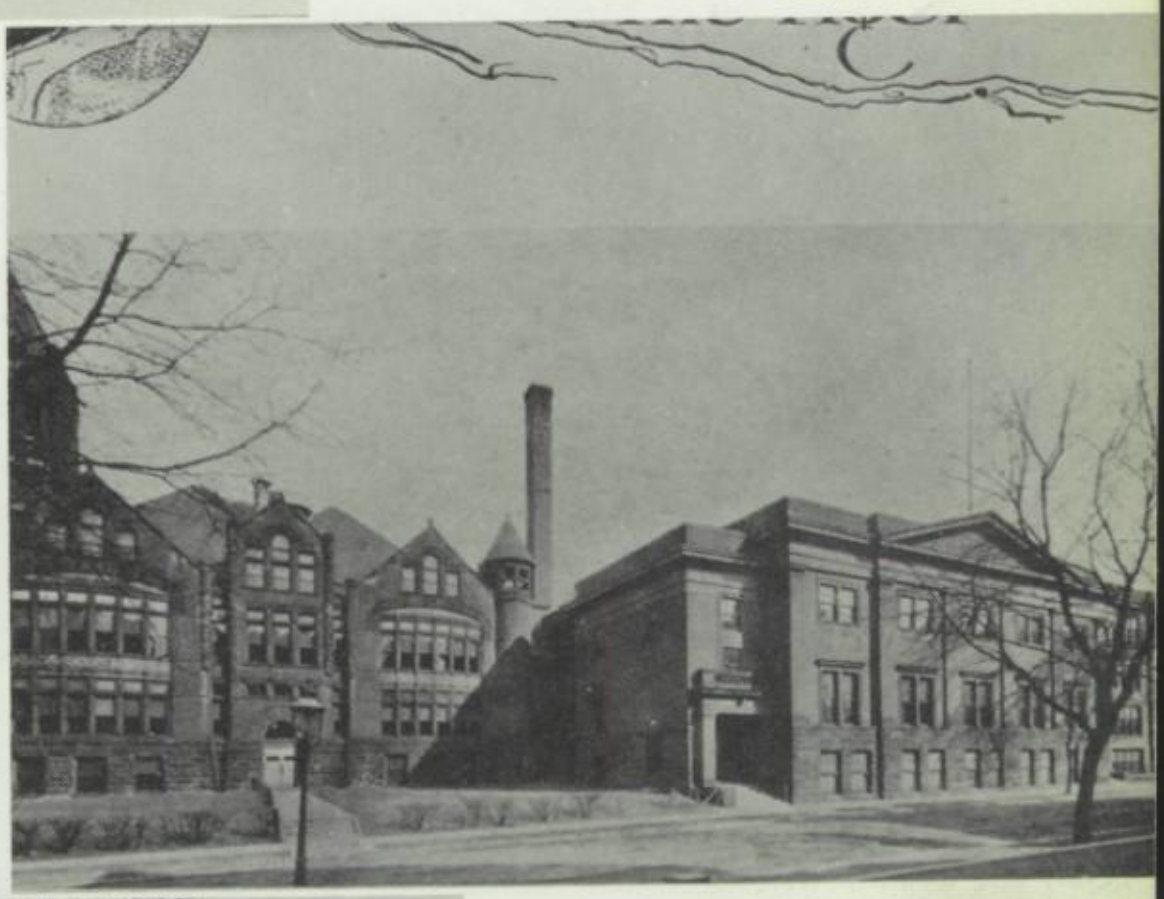
70TH ANNIVERSARY

THE ADAMS HIGH SCHOOL.

Many years ago, a new high school was built in Minneapolis. Previously, some high school classes had been held on the third floor of Adams grade school. In June, 1892, the South Side High School Observer stated: "After a successful year, we place before you the ninth issue of the Observer." "The last issue for the year 1892, we have devoted to the interest of the first graduating class from South High School." The first commencement? Here are a few examples:

Chorus, "Hark the Curfew" Atwood
Recitation, "Mice At Play" Maude Amonson
Essay, "Spiders" (original drawings)
Discussion, "Resolved, That Rip Van Winkle was more sinned against than sinning."

Did you know that what is now South was formerly a homestead, an orchard and a cornfield, and finally a fourplex? All these occupied the land on what is now South. Even the trees which surrounded the "new" building had a special story! The beautiful elms were moved from Adams to the South site. Then the original towered South was built. Where the newer portions of the building stand, was a large house, surrounded by more big trees. In only a few short years, a wood yard became South's athletic field. From 1892, South grew until finally it filled the whole block. Though that original building and tower are gone today, we can never forget the color of South's first years.



OUR SCHOOL

Years and years of tearing down and rebuilding have changed the structure of South. We had a tower; the tower was razed! There was a portable; the portable was relocated. We grew; we shrank. We hoped; we planned. Surely, now in 1962, our dreams will begin to materialize. A new South High will be built. The offices were on the second floor under the tower. They are now on the first floor. It started with only a few students, now we have over fifteen hundred. What the future has in store for South we do not know, but we do know that the spirit and pride of our school does not depend on the building. It lies within each and every one of us. Our pride in South will linger on forever!

Principal

In the seventy years since South High was organized, thousands of students have passed through these halls and classrooms. Hundreds of teachers have met them daily. Think of the hundreds of thousands, literally millions of individual contacts that have been made. This steady progression of youth meeting, listening to, often challenging the experience, maturity and stability of teachers is what converts a building into a school. The changes in the individual which result from these contacts we call education. What is distilled out of the process in the form of aspirations, ideals, pride of achievement, sportsmanship, we call school spirit and school loyalty. Eventually, this grows into tradition. I am proud, and I am confident every loyal student and staff member and alumnus is proud of the tradition that has been built at South High in the last seventy years. To continue to live up to it is our aim. BE SOUTH!

Sincerely
Carl E. Lundin

OUR PRINCIPALS SERVE OUR SCHOOL

Assistant Principal

Since the first day in 1892, the classrooms and corridors of South High have echoed with the sounds of gaiety and excitement as each school year drew to a close. Were these young people experiencing "The happiest years of their life"? Do you think you are?

Joy and despair, success and failure are woven into individual lives in an infinite variety of patterns. No age has a monopoly on happiness. While adult life involves greater responsibilities, it can also bring satisfactions and rewards more substantial than the care-free "happiness" of youth.

Our best wishes to the students of 1962 — may you have the faith to see, and the courage to work for, a future with high horizons.

SENIORS! Remember how often we were called out of class? Of course, the call never excused us from the right class but always study hall when we needed the time to catch up with ourselves. In spite of it all, we can thank Mr. Osterhus for keeping us aware of our "up and downs," scholastically. JUNIORS! Looking forward to your senior year can be a lot of fun. The challenge is fulfilled by the results shown in your class work. We thank you, Mr. Marconett, for your willingness to guide each and every one of us. SOPHOMORES! Just Think! A most important year to you in high school is finally coming to an end. As you face the new thought of becoming an upper classman, your friendly counselor, Miss Robinson, is there to answer questions, solve problems.

FRESHMEN! Just think how this year has flown by. Remember those first days and the confusing maze of halls and doorways? However, there was Mr. Cummings, a light in the darkness, to answer questions and give advice. In addition to our counselors, there is someone else whose name is listed on the walls along the office corridor. Miss Kinunen, our Visiting Teacher, doesn't restrict her services to any particular grade and is always ready and willing to help any student with a special problem. A scratch on the finger, a bruise on the arm, an imaginary pain, too many headaches, a broken leg — all these ailments, serious or momentary, are quickly taken care of by our faithful nurse, Mrs. Long.

Four long tortuous years drawn to a close! There could never be another "senior year." Think back to the football preview — a long time and so many moments ago — the senior class play, "our own" promotion! Finally, after weeks of patient waiting came the month of May.

Three marking periods were behind, a month of constant activity ahead. Remember the banquet? Everyone in his finery was flooding into the Skyroom. The dinner was sumptuous and, oh, that program!

How fortunate the '62 class was to be seniors during the 70th anniversary. What fun it was to trail through South's halls in 1890 creations. A strange sight indeed to see Tigers in bustles! The prom — the great trembling moment! The enchantment of that evening could never be marred by years. Mist and magic will surround the memory forever. Graduation! After all the hustle and bustle to get ready came the slow, seemingly endless last march into the auditorium. Quietly — and a little mistily too — the class of '62 listened as the final seconds of their lives at South stealthily slipped away and left them ready to embark on their sea of time.

QUEEN MARY
KING SVENS

South's Homecoming Royalty and Attendants from left to right are Marlene Wade, Allen Overby, Imogene Christina, Bruce Soderling, Queen Mary Kumpf, King Svens Milenbachs, Vicki Fagre, Doug Pautz, Joanne Whaley, and Mike Meyer.

HOMECOMING 1961

Proud Svens smiles as Sandy places the crown on his head . . . .

And Mary lets out a gasp of surprise.

Anticipation! Excitement! Suspense! All these are a part of the traditional Homecoming at South. There's the picking of the Royalty, the program, the game, a mixer and most important, the visiting of the alumni.

On October 6, 1961, Svens Milenbachs and Mary Kumpf were crowned as Royalty. The slogan this year was "Boot the Cowboys West."

The M.C.'s, Barbara Berg and Bruce Tipple, introduced the acts: a version of the Charleston; a comedy skit, "The Paris Painters"; two solos; and the quintet, "The Casuals."

Les Barnard, former coach at South, introduced our honored guest, the 1936 championship team. Mr. Mead, former teacher, led us in a rousing cheer. Climax? South defeated West!

Just think, Seniors — next year you can participate in the Homecoming festivities as alumni!

THE WINNING OF

Former faculty member, Mr. Mead, led the student body in a cheer.

The championship team of 1936 was honored throughout our Homecoming activities.

Mr. Lundin welcomed Les Barnard, coach of the 1936 football team.

THE WEST

Eloise Olsen, Carol Berg and Diane Eckberg present their version of "The Charleston."

M.C.'s — Bold Barb and Bashful Bruce.

"The Casuals" entertained us by singing popular songs.

Sharon Anderson plays and sings "Blue Moon."

Vicki Lacho and Grace Hess portray "Paris Painters."

SADIE HAWKINS

Boys, boys, boys — more boys!!! All were running through the halls of South! Girls, girls, girls — all were chasing the boys. The reason? Why, of course, the Sadie Hawkins dance was scheduled for November 10.

Most of these girls must have caught that special boy because there was a big turn-out at the dance. The loyal students came dressed in everything from gunny sacks to peasant rags. The lunchroom and the girls' gym were alive with groups of "Li'l Abners" and "Daisy Maes" dancing both modern and square. Marrin' Sam made sure that a good time was had by all.

Harry Dodge and Mary Le Mieux show typical Sadie Hawkins costumes.

Doug Pautz, as Marrin' Sam, unites a happy couple. The marriage license was only valid until midnight.

Don't worry, this is just pop.

There was square dancing in the lunchroom and modern dancing in the girls' gym.

PEP FEST

TO

REMEMBER

Loyal Tigers cheered 'til the rafters shook from the ceiling to the floor. This was the day when all South students wanted our team to know: "We want the Title of Champs!"

Loyal Tigers waved in their hands colorful banners and signs: "We Want Washburn!" "They Can't Have Their Cake and Eat It Too!" "Squash Wash!"

Students displayed signs before the pepfest.

Our cheerleaders had competition from some of our teachers.

SNOW

CORONATION

Another coronation day!! The strains of "Pomp and Circumstances" fill the auditorium as the Snow Queen candidates and escorts progessed down the center aisle to the stage. Introduced by M.C.'s Vicki Fagre and Stan Vasseur were Freshmen Kathy Oberg and Venny Loye; Sophomore Penny Pajari and Curt Ronnander; Junior Shirley Pajari and Bob Larson; Senior Virginia Spector and Allen Overby. The roll of the drum was the cue for Mary Kumpf, our Homecoming Queen, to crown the new Snow Queen. The excitement of the spectators mounted as Mary paced slowly, deliberately, not once, not twice, but three times around the candidates before placing the crown on Ginny's head. As Ginny performed her first official act as queen by decreeing the cheerleaders to come to the stage, the mounted tension broke loose with applause and cheers.

SWEETHEART SWIRL

Virginia crowns the Sweetest Couple during intermission.

Couples take time out to relax and talk.

It was the month of January. Excitement and thrill held the school once more. Reason: The Sweetheart Swirl was coming up in February, and every girl was out to get her man. Whatdaya say, boys?

Annually, the girls of Blue Tri plan and put on this big gallant event to celebrate St. Valentine's Day. It's always a big success, for it is attended by students of all grades: freshmen, sophomores, juniors, and seniors.

The date was February 2; the theme was "Frosty Frolic" to tie it in with Snow Week. Rub Haugen's band played everything from moody music to the twist. Here's something for the boys: There were refreshments, too!!

During intermission, Doug Pautz, President of the Student Council, drew the names of the Sweetest Couple, and Virginia Spector, Snow Queen, crowned them. Then, the Sweetest Couple, Delores Olson and Bob Click, started a progressive dance.

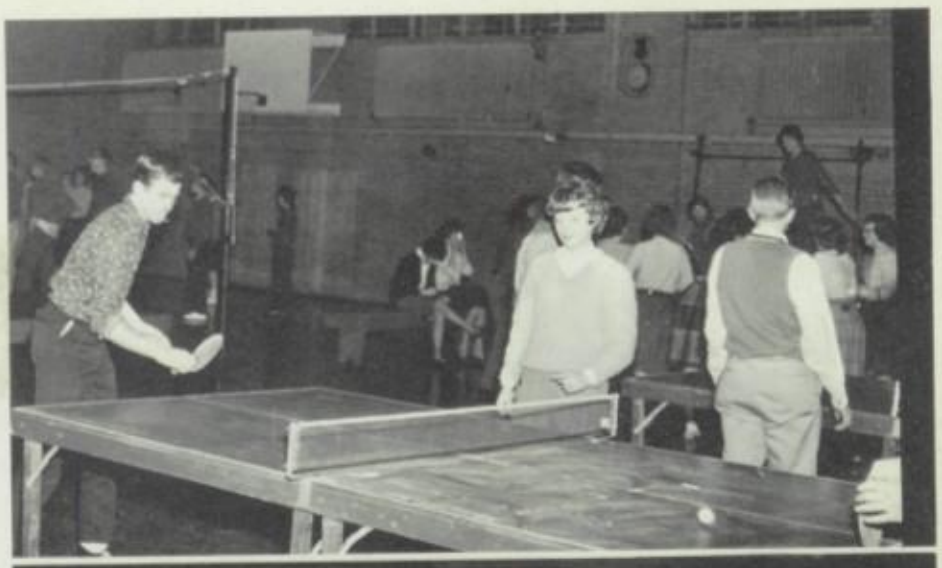
Everyone had a wonderful time, so I bet you're planning to attend next year!!

Looks like fun, huh?

FUTURE SENIORS ARE ACTIVE

ZOOM — What was that? A bullet? No, just a stray ping-pong ball left over from the Junior Class Party. Besides ping-pong, there was basketball, dancing, and, of course, food at the party held on Wednesday, February 21, in the girls' gym. First, everyone went to the basketball game, South vs. Vocational, at 5 p.m.; then they came back to the gym for the party.

At the pep fest Friday, February 23, the Spanish Club entertained the school with a bull fighting skit, in which the "Tiger" was the matador, and Edison was the bull. Naturally, the bull was slain.



Top: Anyone for a roaring game of ping-pong?

Middle: 16 years old and still can't feed himself!

Bottom: What happened to the trampoline?

The "mad" bull gets ready to charge.

SENIOR

Another year — another class play. This year's production, CHEAPER BY THE DOZEN, brought laughter and delight to the audience. The cast for each night had put in many hours of practice to produce once again an outstanding performance. Many people contributed to this senior activity: directors, cast, faculty advisors, prompters, scenery builders, stage crew, costume and make-up committees, ticket managers, and the many ticket sellers.

Father, Charlie Brown, disapproves of many of the things his daughters do — especially when it has something to do with boys.

The "five dollar dog" brings excitement but adds to the confusion of the Gilbreth home.

Problems arise not only from the children, Jackie and Bill, but also from Mrs. Fitzgerald, the maid, who brings her troubles to mother too.

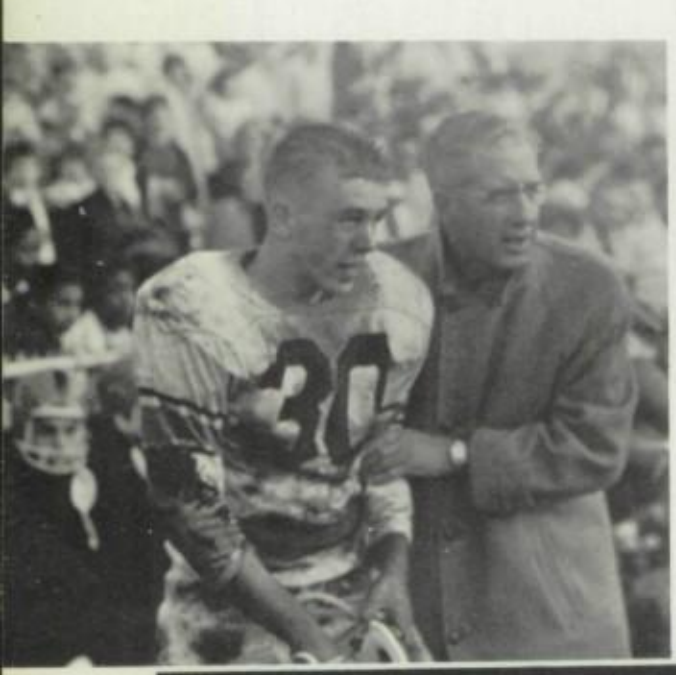
SIXTY-ONE SHOWS SUCCESSFUL SEASON



TOP: Coach Philstrom and Pederson plan final strategy in exciting Central game. *LOWER LEFT:* Powerful defense stops West. Westby gains good yardage. *TOP:* Newsome dives for the ball. *LOWER RIGHT:* Here is one of Larson's long runs against Vocational.

The Tigers rolled through a 6—2 season for '61 to capture third place in city.

Off with a bang, the Tigers tripped the Tommies 6—0, as Newsome plunged over from the two yard line in the last quarter of the preview.

The next week, South's eleven played the feature game against the tough Marshal team. In the first half, South's offense was bogged down with penalties; However, it held Marshal to one first down. The Tiger's offense started moving with solid line and backfield play in the second half. South's first score came with an 18 yd. pass play from Westby to Larson. The Tiger gridders then drove 74 yds. for the next T.D.; Newsome plunged over from the two.

Strong running and timely passing carried the hard-nosed Tigers to their second straight shut-out, a 27—0 win over Southwest. Larson stole the ball from an Indian end early in the game to start the Tigers roaring. Westby and Newsome plummeted the pigskin over the goal line to up the score four times for South.

Scoring on five long runs, the Tigers proved that even soggy turf couldn't hold them back. Renstrom, on the first play, plowed 90 yards up the middle for the first score. Westby paced off 51 yards for the next T.D. In the third and fourth quarters, Larson scampered down the gridiron three times before the final whistle.

On Homecoming the "Old Grads" returned to watch our Tigers deftly pummel West, and score their fourth straight victory. South scored first on a 19 yard sweep by Larson then twice more on passes to Reinke and Larson.

South was a team of rallying opportunists coming from behind to register their fifth straight over Central. The Pioneers drew first blood; however, the Tigers snapped back with a fumble recovery in the end zone by guard Pederson. Before the half ended, Crump bolted over the goal line to shoot the Tigers ahead 14—7. Westby tallied the cincher on the first play of the second half, by catching a fumble in the air and running for the score.

After five hard fought wins, the Tigers, losing a heartbreaker to Henry 7—0, fell into second place in the city.

South rose again to topple arch-rival Roosevelt 16—0 and remain a title threat. While the Tigers gridders were holding the Teds scoreless, Lazor and Westby ravaged the Roosevelt line to score on 25 yard runs and bring the score to 16—0.

Misery, grief, sadness, failure — these emotions rocked South the night Washburn capped the title by stopping the Tigers 25—0.

Is this a football dance?

1961 was a season of thrills for South's Tigers. The action soared under the able leadership of Dave Westby. As a result, many honors came to the players. Westby was named to the all-city first team, and was "back of the week." Wally Larsen, a junior center, was also named to the all city first team. Harry Dodge and Jim Reinke were placed on the all city second team. Don Larson was "back of the week" while Dick Olson was "lineman of the week" and was voted the team's "most valuable player."

SOPHOMORES — TEAM OF THE FUTURE

ROW 1: Johnson, Bokusky, Fredrickson, Lobeck, Hardman, Reinhart, Scott, Joyce, Kelly, Howes, Miller, Larson. *ROW 2:* Entz, Bahos, Melquist, Henderson, Woodward, Schmitt, Breyette, Lenke, Sadowski, Herington, Mitchell. *ROW 3:* Coach McMoore, Davis, Smith, Weihn, Waldron, Ronnander, Wright, Vikan, Northrup, Balck, Jensen, Russel, Emerson, Robison, Bohline.

The Bombers, under Coach Haugen, finished the season with a 1—3—1 record. They had opened the season by beating Southwest, 27—0. After this, the closest the B Bombers came to victory was a 0—0 tie at the hands of Washburn. Although they kept the Miller bombers inside their own fifty yard line in the second half, South was unable to score. The B squad had worse luck than the Bombers; they finished with an 0—5 record.

HARRIERS POST 7-0-1

We don't walk enough! We don't run enough! In fact, we are told that Americans are becoming flabby from lack of daily physical activity. The answer to this dilemma could be that all Americans start a campaign — or a fad — to walk, to hike, or to run. South's athletic program provides the means to every individual. The Cross Country coach Mr. Cumming, and his group would welcome runners — more runners — and still more runners.

Our Harriers, led by Captain Dan Melander, went undefeated in duel meets this year. The only blemish on their record came when Roosevelt achieved a tie. All together Coach Cumming and company copped off the most successful season at South.

Rudesill, Jacobson, Gilmore and Melander have been in 25 meets in the last two years; their total, 20 wins — 4 losses — 1 tie.

In the teams underclassmen Thompson, Doble, and De Luny lie the hopes for next years Harriers. These will be supported by Eagen, Johnson, Bourasa, From and Hartz.

Certainly this team has shown a willingness to accept the challenge of improving their physical fitness.

"OOOOoooooo....."

"Let's do the TWIST."

"Is this my dance?"

Enthusiastic backing by the student body helped South progress from City to Twin City, to District, to Regional Competition, to be defeated by now State Champions, St. Louis Park. Many highlights of the games alerted spectators. In Twin City, St. Paul Wilson was outmanned with Don Larson playing his best all-around game, scoring 16 pts. In districts Central was defeated. To avenge a conference loss, South defeated Edison by 11 pts. When Southwest, who tied us for City, was defeated, South became district Champions. In region, South battled and defeated a towering team from Howard Lake. Finally the Tigers met its match and lost to St. Louis Park. South's outstanding players were awarded many honors: Doug Pautz was named to all-city, WCCO All-State Team, all-district, all-region, 40 pts.-a-game club, Prep Star of the Week, and number one scorer in the city; Jerry Newsome was all-city, all-district, all-region, and sixth best scorer in the city; Jim Reinke was all-district, all-region; Don Larson was all-district; Earl Doble was all-region.

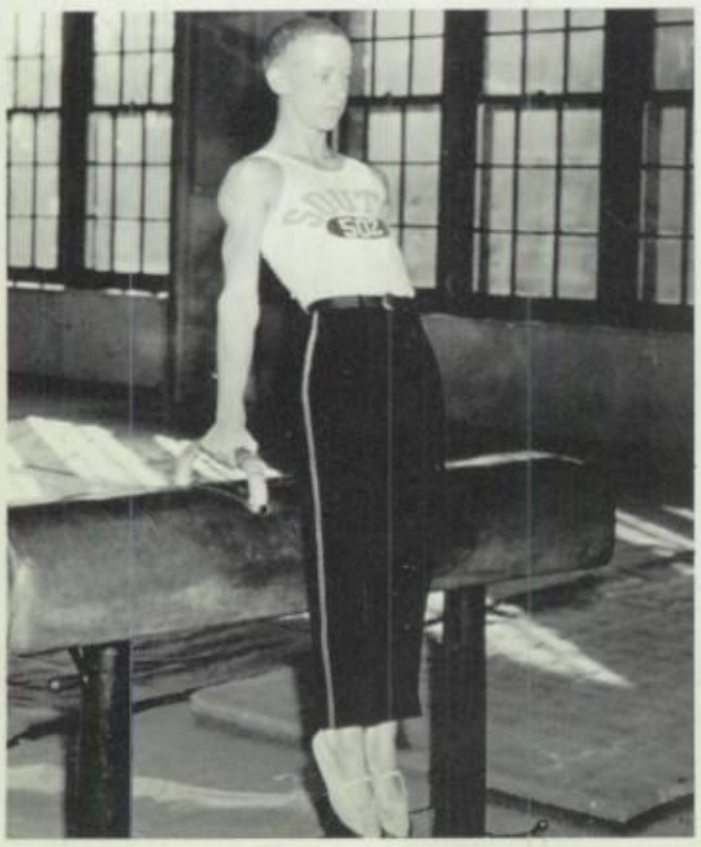
Although this year's gymnasts had a dismal record, the season did have many bright spots.

The three top performers, Frank Ojile, Larry Anderson, and Stan Vesseur, proved to be the "strong holds."

Also, this year, our school got its first trampoline. In this new-to-us sport, Vasseur, showing excellent form, was considered one of the top "tramp" men in the city.

Larry Anderson, doubling up on wrestling and gymnastics, excelled on the parallel bars. However, Frank Ojile, who went to state last year, failed to reach last year's form, but was still one of the top men in the city. Now, sixth hour Coach McMoore has his team working on form and more difficult feats of skill.

Anderson on the horse.



Looking to the future, Coach McMoore hopes to build a stronger team — thus opening up to the "A" and "B" classes in gymnastics. All previous years the team has participated only in "C" or "D" classes, the lowest level of performance.

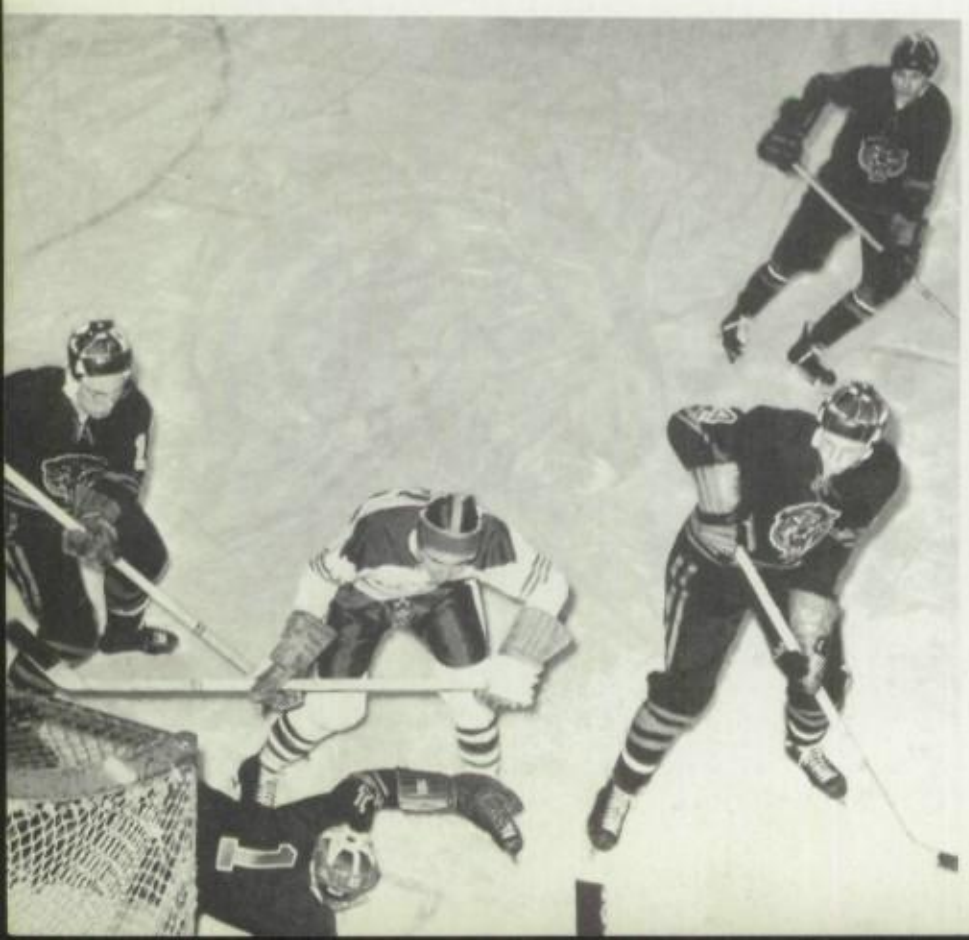
SKITTERING PUCKSTERS — WIN GAMES

This year's hockey team woefully was picked for seventh place. Our plucky team wouldn't take this prediction; we wound up in second place. The highlights of this exceptional season are many. South pucksters led by "All City" co-captains Dave Westby and Tony Alm, far exceeded their pre-season seating. Yes, the Tigers defied their seventh place rating by finishing in the city and advancing to the district 17 semi-final playoff game.

Kogal's Icemen opened their season by tying heavily favored West, 2—2, and then going on to beat Vocational 6—0. They gained a moral victory by tying Washburn 0—0, who later went on to represent the city in the State Tournament. In this game, the play of both goalies was exceptional; the game also consisted of hard checking and skating. Then South lost a heart-breaker to Southwest, 2—1. In this game South outplayed the opponent, out shot them, but lost "by the flip of the puck." Henry tied the Tigers 4—4 in the last minute of play on a rebound shot after Foster kicked out two point blank shots.



With the "Old Kogal Moxie" South beat arch rival Roosevelt 2—0. South's first tally was scored by Alm with a perfect pass from Westby. Here Foster took over for Karsko and played an excellent game by blocking 27 difficult stops, the first time Roosevelt has been shut out in years. The Tigers won the next four in a row by beating North 10—0, Edison 2—1, Marshall 4—1, and Central 8—3.

The Tigers were proud of their team for finishing second, for Tony Alm and David Westby for being placed on the "All City" first team, and, finally, for Mike Meyer being placed on the All-District team. Two unsung heroes on the team were junior Bruce Melander and sophomore Mike Alexander.

TANKERS SWIM FOR RECORDS

South's swimming team — sparked by Captain Mike Sylvers, Gary Gilmore, Gary Leegard and Harold Berglund — had another successful season. The tankers finished the dual meet season with a very good 6—3 recrod. The boys then went on to take fourth place in the District 17 finals.

In Sylvers, South had the best backstroker ever to participate in Minneapolis High School swimming. Sylvers set four records this year in city and district competition. One of these being a national Y.M.C.A. record for the 100 yard backstroke in a 20 yard pool. The second was a 20 year backstroke record at the Y.M.C.A. The third and fourth were the District 17 record and the Northeast pool record for the 100 yard backstroke.

In the District 17 finals, South took one first, one second, one third, and a fifth — for a fourth place finish. Mike Sylvers won the 100 yard backstroke in a sensational race; Gary Gilmore took a third in the 100 yard breaststroke; Harold Berglund surprised everyone with a third place finish in the 100 yard free style. Finally to end the season the medley relay team composed of Sylvers, Gilmore, Dykes, and Berglund came from behind to grab a record.

South graduates six swimmers from this years squad. The seniors are Dick Cooper, Jerry Houk, Bill Argue, Chuck Hillock, Mike Sylvers, and Gary Gilmore. These men will be extremely hard to replace next year.

Leegard shows his strong and smooth style.

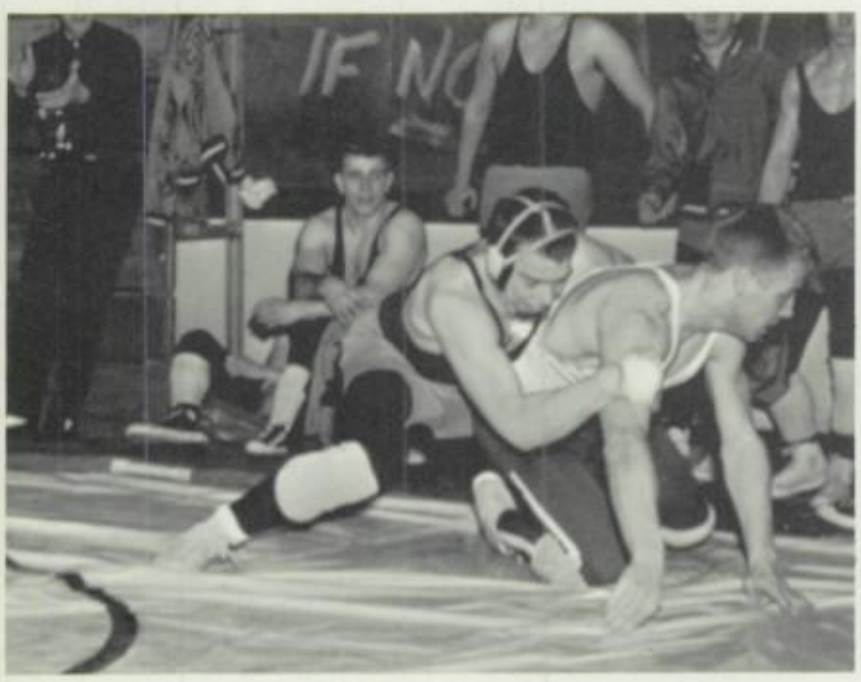
GRAPPLERS POST 7-3 RECORD

Coach Rainey gives encouragement to Martineau, who goes on to win the match.



The 1962 wrestling team, led by Capt. Dodge, finished the season with a 7—3 record, which put them in fourth place in the city. This is the best record South has ever had in this sport. Being strong in the lightweights and heavyweights enabled them to start the season by beating Marshall 41—13. In this match, 9 South wrestlers won; 6, by pins. They kept their form by beating Central 41—15. Southwest 32—18, Edison 50—10, and North 28—25. Then they lost two in a row, to Roosevelt 31—17 and Washburn 31—12. However, the later score doesn't indicate how close the match was; for there were seven decisions by a close score, all these went to Washburn, who later went on to take city.

The Tigers beat Henry 32—22, but lost another close one to District 17 champs, Vocational 28—22. However, they won their last match — West 26—24.

The grapplers at the end of the season watched Jim Martineau, in the 175 lb. class, place first in city and second in districts. Harry Dodge, in the 165 lb. class, placed second in city. Larry Anderson, in 95 lb. class, placed first in districts, and Richard Westerdal, in the 120 lb. class, placed third in districts. At the beginning of the season Dick Olson was expected to have a good season. He won his first three matches, then was injured. As a result he wasn't able to reach top form.

TRI-CAPTAINS LEAD DIAMOND-MEN

South's 1961 diamond-men ended their season last year with seven wins, three losses, and a three way tie for the Southern Division Title. In the play-offs for the title, the Tigers beat Roosevelt 3—0, behind two-hit pitching from Pautz. The following night, the Tiger's lost to Washburn, in extra innings, 5—2; the score doesn't tell the real story of that game. South tied the score, 2—2, in the fifth inning on a two-run homer by Dave Westby. Last year's team was headed by Senior Mike Alm who lead the team with a .581 batting average, scored 19 runs, and stole 11 bases. As a result, he was voted by his teammates, the most valuable player of the season.

Looking at this year's team, Coach Dillon and the squad are proud to claim four of the best ballplayers in the city. These are pitcher Tony Alm, infielders Jim Heath and Doug Pautz, and catcher Dave Westby. However, the only trouble is that four players don't make up a baseball team, so Coach Dillon will be looking for five more regulars who can complete the team. So far Gary Weihn, Bruce Melander, and Curt Roannder, have been doing a good job in the outfield. Sophomore Jan Hardman and Mike Alexander the two smallest on the team should have an exciting and, we hope, successful season. In fact the team is a pre-season favorite for the Southern Division title.

RACKETMEN NEED EXPERIENCE

Spring brings new athletic opportunities for students. One of these is tennis which is not only a team sport but also an individual sport. The team consists of first, second, and third singles; first and second doubles. This year's team is a young team but a very promising group, under the guidance of Coach Poston. The racketmen will have two returning lettermen: Bob Spector and Jim Dahl. The regular team consists of mostly rookies; and because of this, it will stir competition for spots on the team and also for conference play. Although hampered by bad weather, this enthusiastic team is willing to learn and will show a good representation for South.

LINKSTERS PUTT ALONG

The golf team, under the guidance of Mr. Mona and veteran Gene Borseth, will try to improve last year's record of two wins, one tie, and seven losses. The team will have only two returning lettermen, but these two are "tops" in the city. Gene, who consistently shoots in the mid 70's will captain the linksters. This is Gene's third season as a golfer for Tigerville. Shy man, Svens Milenbachs, will trade his homecoming crown for the irons of the golf course and expects to shoot in the low 80's. This is his second year on the team. Mr. Mona hopes more underclassmen will try out so that in the future the Tigers will provide more of a test to their opponents.

CINDERMEN EXPECT GOOD SEASON

Under a new coach, Mr. Bill McMoore, South's track team underwent reorganization this year. In addition, the coaching staff now includes Mr. Cumming and Mr. Webert. The team is headed by Sr. Dan Melander who is running for the Tigers for his fourth year, and who is listed as one of the greatest milers in the history of the 70 years of South. He is backed by Jim Reinke, star runner of the high and low hurdles and also South's leading high jumper. The Tigers placed fourth out of twenty schools competing in the Metropolitan meet while Dan Melander placed second in the mile, Jim second in the high jump, and Roger Swanson third in the 440. Other members of the team who are performing well are these: Dick Loeffler, in the 100 yard dash; Roger Swanson, one of the best runners in the 440 yard run, also in the 100 yard dash; Jerry Newsome and Roscoe Bogan in the 220 yard dash; John Capra and Tom Crew in the 440 yard run. Gary Gilmore, leading the 880 men, is followed very closely by John Anderson and Don DeLuney. The longest running event, the mile, is run by Gary Fries and Blake Sheldon. Starting for South in field events are Gary Sande in the shot-put, and Gerald Olson in the discus throw.

Student Council Aims for "GREATER SOUTH"

Our student Council, led by an energetic cabinet, is striving to make our school more resourceful. The following officers started student plans for a greater South: Doug Pautz, president; Steffen Magnell, vice-president; and Vicki Fagre, Treasurer. Pat Gabrick, our Corresponding Secretary, and Mary Kumpf, our Recording Secretary, also have an active interest in this project.

During the past year, the Student Council has sponsored many activities. One success followed another. One of the council's biggest projects was the Sadie Hawkins Day Dance. For this, Steffen Magnell, along with the other cabinet members, pushed the sale of tickets to a new high. During the council meetings, every representative is allowed to express his own views on the problems that are facing our school. The representatives then go back to their homerooms and report on the results of the meeting. This year Doug Pautz and Vicki Fagre attended an all-school student council meeting. Here, they got together and discussed the problems that face students in every city school. Everyone can expect bigger and better things from the student council in the future.

Tiger representatives have a number of important tasks. First, they must promote the sale of Tigers to all underclassmen. Then they not only collect the money due, but also must keep an accurate account of their collections. During all this time, there are those usual moments of despair. Will all subscribers pay on time? Will the books balance? Of course, despair turns to relief — and then excitement — that wonderful day when the books do balance — and the Tigers are distributed.

MANY TASKS! MANY PROBLEMS! THESE ARE THE LIBRARY HELPER'S DUTIES

From the person in the ticket booth to the person who runs the elevator to the 4th floor, students serve South.

Those that believe that the quickest way to the heart is through the stomach have chosen to serve the school as cashiers and helpers. It is comforting to know there are always people willing to give up 4th hour study hall so that their fellow students may eat.

At the head of all the basement stairways stand "ogres," hall guides, who try to keep students in the basement during the lunch periods. If the guides would suddenly go on strike, South's ivied halls would be transformed into one noisy recreation room.

A quiet routine at South is possible because there are students as office helpers. The energetic "South Highers" keep the switchboard from driving the office staff out of the room, keep phones from dancing off hooks, return lost books, and run endless errands.

Filing, typing, operating the adding machine, admitting tardy people and signing out sick people — these are jobs that the staff would have to do if there were no office helpers.

Did you ever wonder who wrote up those little pink passes from the counselors? The counselor's helpers! Typing, filing, delivering mail are also tasks for them.

Are you befuddled by the card catalogue lost in long shelves of books of the library? Don't stand there, confess! Besides being an "angel of mercy" to "Mixed up Tigers" the library helper checks out books and writes out those pretty green over due slips.

RED CROSS ANSWERS THE NEEDS OF OTHERS

The Red Cross activities were quite extensive this year. The first meeting was in November, 1961. At this time the new officers were introduced.

Miss Lund, the advisor, requested the officers to attend the chapter-wide meetings. There they met other officers, had council meetings, and found out what is done to raise money for Red Cross.

For a project, a party was held on December 19 at Wade Settlement House for underprivileged children. The children had fun, as did the students who were in charge. Money was collected for the children's cookies and ice cream.

Just before Christmas, Titti Campanelli, our foreign exchange student, was taken to the chapter house where the Senior Red Cross in Minneapolis is arranged. Here Titti had a record made to send home to her family in Italy for Christmas. She also went to a Christmas party held by the chapter-wide Red Cross, where all of the foreign students in the city told about Christmas in their countries.

The main purpose of Red Cross is to raise money for needy families around the world. A membership drive for this took place in February.

BANKERS ENCOURAGE FUTURE MONETARY SECURITY

Every Thursday morning the familiar cry, "Is anyone banking today?" is heard in each homeroom. This call is the sound of our banking representatives, giving us the opportunity to build to our future by investing in Farmers and Mechanics Savings Bank. In the course of the year there is a contest between the bankers to promote increased depositing. As a reward, representatives from the top fourteen homerooms are invited to the annual Thrift Week Luncheon which was held this year at the Leamington Hotel on January 17. Mr. Haugen, who is the Bankers' advisor, and Mr. Lundeen also attended. The guest speaker at the banquet was Dr. Nicholas Nyaradi, former minister of Hungary and now head of the School of International Studies at Bradley University. He illustrated what security and opportunity means to him and America's youth by using incidents from his own life.

Pass it here! You're running the wrong way! How did you get all tangled up in the net?

All those activities in G.A.A. sometimes made you a little stiff, undoubtedly, but they were fun. Touch football, speed ball, swimming, badminton, tennis, and the unforgettable homeroom volleyball tournament really made the year enjoyable. Besides athletics, G.A.A. also sponsored the Homecoming button drive.

To all who participated in the G.A.A. program went the satisfaction of playing and working with other girls, the opportunity to win an athletic letter, and the fun and excitement of participating in an active organization.

"Fun and fellowship" is the main goal of the South High Blue-Tri. This organization is affiliated with the downtown Y.W.C.A. and is open to all the girls at South.

The main highlight of the past year was the Sweetheart Swirl, which was held at Coffman Memorial Union Junior Ballroom. The theme of this year's semi-formal dance was "Frosty Frolic."

There have been various programs, consisting of distinguished speakers and group discussions, which were of great value to the members. By having these they developed a better understanding of each other and the people around them.

The work program is a co-operative training program which uses the business resources of the community to give students skills and understandings that they can not acquire at school. Students participating in this program attend three morning classes which must be English, modern problems, and one course related to the job that they are on. They are excused at 11:30 to go to work. The work program has done a fine job of helping students learn and earn at the same time.

This year South's Hi-C club held its regular meetings on Monday evenings. Each week the club met in a students home, where a program was presented with the purpose of showing the Christian way of life. Throughout the year, the club had guest speakers as well as student participation. Hi-C's city events included a hayride, ice skating party, retreats, anniversary banquet, roller skating party, junior-senior semi-formal banquet, and a Taylors Falls bus excursion. Hi-C has had a successful year and has served as an inspiration to many South High students.

To interest students in Latin and Roman culture is the purpose of the Latin club. The organization has had a variety of activities to make the year complete: a hayride at Eaton's Ranch in November, a wiener roast at Minnehaha Park in September, a bowling party in February, and a field trip to Di Nopoli's in May. These special meetings have provided fun and excitement for all members.

THE OCEANS ARE NARROWED

Various activities have taken place in the French club throughout the past year. These activities included a Christmas party, preparing a display case, and a spring picnic. An interesting trip to a French restaurant was an experience that all the members will long remember.

German Club hopes to promote an interest in the German language and culture, as well as have fun. Regular meetings were held twice a month. To build up interest in the organization, many activities were planned.

First, the initiation picnic at Minnehaha Falls started the year. Closely following was a skating party with refreshments. Then Christmas brought another party for the Deutschlanders. In the remaining months of the school year, there were an ice skating get-together and a bowling party. Finally, a picnic ended another successful year of German Club.

THROUGH KNOWLEDGE OF LANGUAGE

The Spanish Club, with a membership of about fifty, has participated in a number of activities: a hayride and a Spanish-French Club Christmas party. At the party, customs from both France and Mexico were enjoyed.

To raise money, the club planned one fund-raising project rather than having dues. Late in the year, they had an ice-skating party; and, as a final adios to the Spaniards who were leaving, there was a spring banquet for all members.

CLUB'S ACTIVITIES ARE VARIED

The Swedish Club started off its year's activities by having a Welcoming Picnic along the Mississippi River. Other successful activities included a scavenger hunt and a game night. On December thirteenth, Santa Lucia Day in Sweden, a Christmas party was enjoyed. During the festivities, Santa Lucia was honored, Swedish Christmas Carols were sung, and later on in the evening, Santa Claus dropped in to give each a present. Swedish Club has had its usual happy and successful year.

DEBATE

Debate is a competitive activity of the mind rather than muscle against muscle. South High's teams from October through January, meet other city and suburban teams each week. In February, the team entered Regional Competition. Highlights of the season are the invitational tournaments. This year, South Debaters took part in tournaments at Hamline, the University of Minnesota, and St. Cloud College.

ASTRONOMY

As the world is looking to outer space so South, too, is interested. Last year as Astronomy Club was organized. This year the club was able to work and plan a more complete program. In fact, all members feel that this year was successful — was outstanding. Enthusiastically, the members of the club worked to raise money to buy equipment. They washed windows, put on storms — anything to make money. A very special program to which all South was invited, highlighted a guest speaker, Dr. Scholtz, a well-known amateur astronomer.

N.H.S. SELECTS STUDENTS

Of the many organizations at South, Honor Society is the one in which all students seek membership but for which only a select few are chosen. The group is composed of students elected each year by the faculty. They must become eligible scholastically before they are considered for membership. Leadership, service, and character are also necessary. This year's initiation was held January eighteenth. The program was as usual, dignified and inspiring. The student speakers, led by John Stensether, were Svens Milenbachs, Pat Gabrick, Doug Pautz, Judy Smith, Joanne Whaley and Leenardia Klaassen. A special feature was the appearance on our stage of our mayor, Mr. Arthur Naftalin. He challenged not only Honor Society but also all South students to strive to fulfill the four standards of Honor Society.

Linda and John read names of new Honor Society members.

Excited new members learn their future tasks.

A well deserved reception for members.

The familiar strains of "street beat" have often resounded through past autumn mornings as the South High Band stepped into practice formation. Our new director, Mr. Richard Johnson, and our band, although small this year, have been invaluable in contributing to our school spirit. For many years to come we will think back with nostalgia to the pep fests when the band played rousing marches as we filed into the auditorium.

Some of the outstanding performances of the band were as follows: Football Preview, regular football and basketball games, Hockey Preview, and auditorium programs. Also, to add to the Christmas atmosphere a quartet of band musicians played carols in the halls before school. We thank Mr. Johnson and our band for their contributions which have added to that tradition: BE SOUTH.

MUSIC-RHYTHM-TWIRLERS-

The Tiger Twirlers, sponsored by Mrs. Myrtle Royster, organized themselves through the desire to represent South. They planned their formations and obtained their own outfits and flags. For Sno-Week, four more girls — Jean Leifermann, Sally and Donna Johnson, and Pat Gabrick — joined the group to present a modern dance pom-pom act.

The South High Orchestra this past year has been termed by Mr. Johnson as an "instrumental ensemble." Moreover, the pleasure it provided us was great. One of the most enjoyed appearances was the Yuletide Overture which preceeded the choir's Christmas concert. We congratulate these talented musicians, as we extend to them a wish for future musical success.

From time immemorial, music has been a part of our lives. Today, background music is an accepted part of our day. However, here at South we also have music for the sake of music itself. Our students participate in many musical organizations.

Yes, we not only listen to music, but we also have active participation in all of the vocal and instrumental groups.

7:45!! A familiar sound? At this hour, the South Singers rehearsed every Tuesday, Thursday, and Friday. Among their varied activities were participation in the annual Christmas program and the traditional visit and concert at Seward School. To add to the Sno-Week Coronation festivities, these singers used the familiar strains of Brigadoon to tell, in their own words, of the fun enjoyed by all. Mr. Dick plans that future South Singer groups will perform often in school and at community functions. This year, as in the past, the South Singers who are members of the Choir, have been a hard-working, energetic organization. They well deserve the rewards they receive: the praise and thanks of faculty and students at South.

The goal of every participating member of singing groups is to be selected as a regular member of the choir. This year's group is composed of 104 musically inclined Tigers who love to sing, who are willing to sing, and who give us pleasure and inspiration during special programs. As usual they are planning a traditional spring trip. Thus, once again, the choir will carry to another school, in another city, some of that spirit of "Be South."

A glittering tree, an inspired choir; add to Christmas festivities at Southdale.

Our director smiles; the choir responds in song.

The main goal of the Choral Club is preparation for Choir membership the following year. All but ninth graders are eligible to be members of this group. Membership requires work, and the experience gained through this work leads to success as Choir members. Every day during the sixth hour the Choral Club practices for its varied performances during the year, such as the Christmas and spring concerts. Indeed this group is to be commended for the hard work put forth by each student member.

The Madrigal Singers, a new group, have been in existence only two years. The entire group consists of only ninth graders. The Madrigals, a misleading title for no Madrigals are sung, have high hopes of developing into a performing group of their own. They did appear in a solo selection at Christmas time along with the other musical groups. The Madrigals meet every other day, alternating with the students gym classes. During this time they work feverishly to gain valuable and practical experience which will make them eligible to sing with the Choral Club and, eventually, the Choir. The Madrigals, therefore, are primarily a training group for the future South choirs.

TODAYS NEWS BECOMES TOMORROWS MEMORIES

"Where is that copy?" "Our deadline is only a few days away!" "Get busy!" These familiar cries of exasperation are frequently heard echoing from the editors of the yearbook and newspaper. If you happened to wander into 217 or 204 sixth hour, you soon would be caught up in the last-minute flourish of assembling the Tiger and Southerner page by page. There are pictures to be taken, layouts to be drawn, copy to be written, and pages to be checked. But with a sigh of relief, deadlines are met and a feeling of accomplishment fills the loyal, but exhausted Tigers.

The staffs consist of industrious and resourceful South High seniors. Our newspaper, published bi-weekly, manages to delight the student body with special editions, such as the Junior Edition, besides the regular papers. The Tiger staff works all year long to put together an interesting and enjoyable yearbook for all.

With the help of our advisors, the faculty, and the students we are able to present South with the up-to-date news around the school and a book of fond memories of the year.

IT'S A BIRD — it's a plane — it's a basketball!!

AS THE CROWD CHEERS ON ITS OWN, Pat Hansen looks for a receiver.

SOUTH HIGH LOCOMOTIVE, LET'S GO . . . cheerleaders strike up spirit as the football team soars past Southwest.

LETTERMEN, CHEERLEADERS IGNITE SPIRIT

Last summer, twice a week, our cheerleaders beat the football team to the football field in order to become this year's talented cheerleading squad. They revised old cheers, added new cheers, and learned handsprings; moreover, they spent many hours obtaining and sewing new uniforms which are a delight to the school. This year the squad was made up of six girls, two boys, and a Tiger mascot. Senior April Prall was Captain; Miss Dorothy Peterson was advisor. With all the extra effort put forth and the addition of the two boys, the group bolstered school spirit tremendously.

Although South lost to the Cake-Eaters in football, at halftime, we enjoyed eating our own cake baked by Diane Ekberg. During conference basketball season, the girl cheerleaders played basketball against the opposing cheerleaders three times, chalking up a record of one win, two losses. The boys acted as impartial (?) referees.

Thinking back upon the whirl of athletic events, there are many such moments we won't forget.

Our lettermen, the objects of our cheering, organized last year under the guidance of Mr. David Dillion to form the 'S' Club. They have adopted a new hero jacket, and they held a spring banquet.

Darlene Ochoada and Pat Hansen served as alternate cheerleaders.

JUNIOR, SOPHOMORE, FRESHMAN — EACH YEAR ADDS NEW MEMORIES

Each year of high school has its particular memories. Each memory usually belongs to a given year. Let's spotlight a few moments to remember. Here goes!

Questions! Questions! Each fall there are countless questions asked by all newcomers. Answers! Answers! All questions aren't to be answered. All answers do not belong to the question.

Watch out, Frosh! If you don't, you'll find yourself sitting on top of that water fountain! Room 200 where are you? Hey, Senior, where do I buy a lunch ticket? Are you tired, Frosh: Take the escalator!

Yes, these and many more questions and remarks have worked successfully for many a year on new sophomores and freshmen at South. However, it doesn't take long for these newcomers to catch on that they don't have a lunch ticket, there is no *4th* floor, and there isn't an escalator.

As the years roll on, newcomers become seasoned veterans. They get to know the cheers and finally, BE SOUTH begins to sink in. Woefully, some found out where and what Lida's was and the sad results of this discovery.

Moreover, in high school there is more freedom than previous schools. As students progress to be juniors, they have the opportunity of electing class officers, a Sno-Princess; they enjoy participation in a junior activity — this year, a party.

A final glory is the prestige attached to juniors — they'll be the seniors of '63.

Marie
It's been a lot
of fun being in
the same science
class as you if you
know what I mean.

Red
Didn't work too hard this
Summer I take it easy
on the trip. Be good
and try not to get
into too much trouble
I hope I see you
a lot this summer
and that we have
fun before it's time
nice seeing you
friend.
Karen Sindlinger

Marie I
this sure is a
small world since I
found you. Have fun
this summer & stay away
from the boys because there
are some fun during the summer
& good luck next year
Sandy Westerdahl

Marie, it's been nice
knowing you and I hope
we'll be in touch
